

ST. DOMINIC SAVIO CSCC

NEWSLETTER

September 2022

Vol. 1, Issue 1

Welcome back to our St. Dominic Savio students, families and staff!

We are thrilled to be starting another school year and can't wait to share with you all the exciting initiatives we have planned for the 2022/2023 school year!

The CSCC – Catholic School Community Council, provides a positive and effective connection between the school and home communities, in an effort to strengthen the educational experience for all students. We play an important role in understanding, supporting and promoting the schools plans for continuous improvement.

It was great to see many new faces at our Annual General Meeting this year that have joined us on the CSCC, and we are always eager to welcome new members. Please consider joining us and learning more about the plans, initiatives and successes of our CSCC. Our school council is most successful when it has representation that reflects the school community we support. Your participation in the CSCC can be as much or as little time commitment as you are able to give. Your contribution can be during school hours, for example, helping at a Special Lunch Day, or after school hours, helping set up for our awesome Halloween Dance! The more support we have within the CSCC, the more we can do for our students and school community, which creates a stronger foundation for students to grow and thrive.

If you are interested in participating in the St. Dominic Savio CSCC, have any suggestions or ideas for us, please connect with us on [Instagram](#), [Facebook](#), [Twitter](#), or by email at st.dominiccsc@hotmail.com.
